Dear _____

I would like to attend the APHSA National Health and Human Services Summit on June 12-15, 2022 at the Crystal Gateway Marriott in Arlington, VA. The theme of the Summit is *The Way Forward: Charting Our Next Course*.

I have reviewed the agenda and feel the return on investment would be a major benefit as the event aligns to the priorities of our department and agency. It is a very worthwhile investment given the level of education and networking provided.

Over the course of the meeting and conference, I will have access to:

- Education topics in the health and human service and non-profit fields as it relates to my role in the agency,
- Presentations covering the latest trends and top-of-mind questions from health and human services experts and federal government leaders, and
- Multiple opportunities to network with peers and industry thought leaders where I can exchange ideas with other government peers who have the same role or challenges.

I am seeking approval for the registration fee and travel expenditures. The full conference registration is \$900 for APHSA members / \$950 for non-members per person. Early registration ends on May 13, 2022. The conference hotel block closes on May 25, 2022. The standard room rate is \$229 plus taxes, per night for Sunday, Monday, Tuesday, and Wednesday.

Below is a complete breakdown of the estimate conference costs:

Area	Fee
Conference Registration	\$
Airfare	\$
Transportation	\$
Hotel	\$
Meals	\$
Estimated Total	\$

**Conference registration includes breakfast each day and two light networking receptions.*

APHSA has put the health, safety, and well-being at the forefront of their planning by requiring all attendees to provide proof of vaccination or a negative COVID test 48-72 hours prior to arrival to the host hotel by uploading to a secure portal for verification. We will follow local guidance on the wearing of masks and encourage those who wish to wear a mask for their own safety and precaution to do so.

I will see what others are implementing in health & human services training that is new, innovative, cost-effective, and engaging. I will participate in interactive sessions where I will learn exciting new ways to facilitate and train employees at our job sites. I will also hear from national leaders regarding what they are doing to take human services workforce development to the next level so we can do the same. I will hear the trends and directions that are emerging nationally to ensure we have organizational alignment across our agency.

The Summit provides an unparalleled opportunity for me to upskill. The registration also grants me access to ongoing webinars, informative articles in APHSA's Policy & Practice Magazine and a wide range of workforce development resources!

I will return engaged, energized, and enthusiastic to implement all the exciting learning that I have taken in over these four content-packed days!

I would love to discuss the particulars of the event, the potential return on investment and answer any questions that you have. Thank you in advance for considering my request.

Sincerely,
